

Alliance *for* Retired Americans®

2016 Midwest Regional Conference

Detroit, Michigan

May 4 - 5, 2016

Training America's Seniors to Win

Prepare for next year's elections by attending the 2016 Midwest Regional Meeting of the Alliance for Retired Americans, a grassroots advocacy organization for current and future retirees.

The Regional Meeting will be an excellent opportunity to hear from leading experts and to strengthen your skills as a retiree activist. Attendees will participate in interactive workshops and training sessions on:

- Using issues to educate seniors during the 2016 elections
- Words that work, how to communicate our message
- Building and growing local retiree chapters and volunteers in your state
- Participating in media events and rallies and learning how to organize them

We will elect Regional Board members who will help plan and implement state and national Alliance strategies and campaigns.

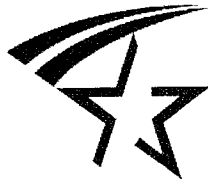

The Alliance recently celebrated the 80th anniversary of Social Security and the 50th anniversary of Medicare with more than 200 events all across the country. This demonstrates our effectiveness in educating seniors and retirees and growth in our ability to mobilize labor and community-based retirees. You are a vital activist in a grassroots movement with a clear goal to fight for retirement security.

Please join your fellow Alliance members at our 2016 Midwest Regional Meeting so you can be an informed citizen during the 2016 election season. Be sure to bring a friend!
